Subject: corporate opposition to pebble

Dave -

Thanks again for taking the time to catch up this morning. I don't have everyone's email that was in the meeting - so if you don't mind forwarding this along I would greatly appreciate it. We are working on a longer summary of opposition to Pebble but I wanted to follow up in the short term and answer the question about Jewelers. As of now there are over 30 signed on in opposition to Pebble. The chart at the bottom covers a handful of the biggest companies that have signed on in opposition and shows their combined retail sales for 2008 - over \$4 billion.

Very best -
